

MMO Update

07/09/2020

Currently I am still working predominantly from home. We can attend ports and premises as long as we follow HM Gov guidelines regarding social distancing.

I have been visiting my patch area ports on a fairly regular basis. These include Axmouth, Seaton, Beer, Branscombe, and Sidmouth. I have also been to Lyme Regis a couple of times.

In most places it has been possible to meet Fishermen or visit premises. This gives me a chance to reconnect with the industry and owners/masters and also gives them a chance to get advice/assistance from the MMO.

We are in the process of getting all the offices risk assessed, for a phased return to some kind of normal, but we still have not been given any time scale as to when this is likely to happen.

As always I am on the end of the phone or email if anything urgent is required.

Regards

Gerry
